

# February Employee of the Month

**Teresa Edwards**

"Teresa approaches her work with professionalism and care, ensuring that tasks are completed accurately and efficiently. She is a true team player who leads by example, showing respect, kindness, and a genuine desire to see both her colleagues and the College succeed." ~Anonymous

Recently, Teresa stepped up in an exceptional way by taking on the financial responsibilities of the entire SBS division while the new FM was in training. Teresa managed and completed all divisional reconciliations for the month of December, ensuring they were finished accurately and on time. Her initiative, reliability, and willingness to fully shoulder the workload during a critical transition period greatly assisted the division and demonstrated a strong commitment to the Franklin College. Thanks, Teresa!

## FUN FACTS

- In her free time, she enjoys off-roading with her husband John. "Top off, doors off, and plenty of adventure!"
- Has two dogs; Daisy and Brandy, and three cats; Nico, Phoebe, and Chloe to keep things lively.
- Her father is her role model. His work ethic is unmatched, steady, humble and unwavering. Even at 83, he begins each day with a morning walk, and she meets him at 7am most days. The conversations they share are meaningful and continue to shape how she approaches each day.
